

Community Partnerships

Toolkit for Memorandums of Understanding: Industry & Community Workforce Partnerships

Purpose

This toolkit, developed by Real Jobs Rhode Island, offers a framework for developing a Memorandum of Understanding to foster strategic collaborations in providing workforce development services. It provides general guidelines for developing partnerships, questions to consider, examples, and identifies common barriers to success. This toolkit is not specific to organizations serving people who have experienced domestic violence, sexual assault, stalking, harassment and/or human trafficking.

The toolkit can be found here: https://gwb.ri.gov/sites/g/files/xkgbur746/files/2022-05/Partnership-MOU-Tool-Kit_Final.pdf

Who is this resource for?

This resource is for organization and/or program leaders administering economic empowerment programs. It may be most useful for those providing long-term services.

ORGANIZATIONAL
